"THREE-EYED "FREAKS OF NATURE"!

From the very start, new **Super Sea-Monkeys®** thrill you with **wonders** that leave you **breathless!** Born with but **one eye** in the center of their heads, in a few days they grow **two more** eyes, making them **three** eyed **"freaks of nature"!** When they grow, they shed their middle eye and become "normal" two-eyed sea-creatures. And because new **Super Sea-Monkeys®** grow **so incredibly fast** you actually **see** them getting bigger and **BIGGER,** day after fun-filled day! IT IS PLAY MONEY! BUT HOW—?
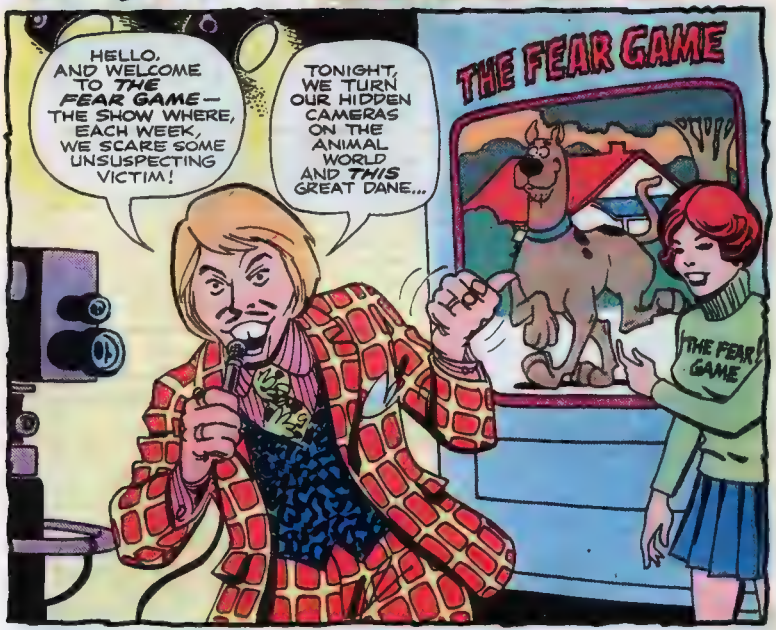
HEY, GANG! THE MONEY DOWN IN THAT SHIP IS ALL PLAY MONEY!
THERE IS NO HALF-A-MILLION DOWN THERE? WELL, THAT EXPLAINS A LOT!
SAY, I DIDN'T MEAN TO SPEND THIS! IT'S THE BUCK I BROUGHT UP FROM THE...
WHAT DOES IT EXPLAIN?
I'LL TELL YOU ON THE WAY TO THE TV STATION! I HAVE AN IDEA TO DRAW NEPTUNE OUT!
HE'S VERY BRIGHT, YOU KNOW!
SHAGGY GETS ON THE NEWS SHOWS TO ANNOUNCE...
WE ACCIDENTALLY TOOK KING NEPTUNE'S TRIDENT... AND WE'RE AFRAID WE'VE OFFENDED THE KING! NO TELLING WHAT HE'LL DO!
I'VE GOT TO GET THAT BACK!
WE'RE GOING OUT THERE TOMORROW MORNING TO GIVE IT BACK...
...AND HE'LL BE THERE TO GET IT! IF THE COPS EVER GET THAT TRIDENT, THEY MIGHT TRACE IT TO ME!
COME MORNING...
OH, MR. NEPTUNE! COME GET YOUR FORK! YOO HOO!
ROO HOO!

YOU HAVE RETURNED WITH MY SACRED TRIDENT!
Y-Y-YES, SIR! LIKE MY MOTHER USED TO SAY; "ELEPHANTS DON'T EAT RUTABAGAS IN THE SPRING!"
WHAT IS THAT SUPPOSED TO MEAN?
I DON'T KNOW—BUT MA ALWAYS DID SAY A LOT OF WEIRD THINGS!
NOW I SHALL BE OFF...
HEY! LET GO OF MY CAPE, YOU DUMB MUTT!
WELL, LOOK WHO'S COMING! IT'S OUR FRIENDLY COAST GUARD MAN! HOW NICE!
YOU TRICKED ME! YOU SET ME UP FOR THIS!
YOU CATCH ON FAST, FISHFACE!

TWO LAST ORDERS OF BUSINESS REMAIN: THE CONFESSION...
...HE PAID ME TO SCARE DIVERS OFF... BUT I LET YOU KIDS GET TOO CLOSE!
...AND THE CONFRONTATION...
YOU'RE MAC MCGREGOR, THE BUSINESSMAN?
YES, YES...SO WHAT? I'M IN A HURRY...
SECRE
REMEMBER A SHIPMENT YOU PUT ON THE COLUMBIA, FIVE YEARS AGO? IT WAS SUPPOSED TO BE MONEY...
ACTUALLY, IT IT WAS PLAY MONEY—BUT NO ONE KNEW IT BUT YOU!
YOU ARRANGED TO HAVE THE COLUMBIA SINK—THEN YOU COLLECTED FULL INSURANCE PAYMENTS ON YOUR MONEY!
AS LONG AS NO ONE FOUND THE SUNKEN CASH, NO ONE WOULD KNOW THE DIFFERENCE!
YOU DID IT, FRED! WHERE SHALL WE GO TO CELEBRATE?
HEY! HOW ABOUT A FISH DINNER AT THE WATERFRONT?
AROOOO! SCOOBA-ROOO!!
I THINK SCOOBY SAID HE WANTS NO PART OF THE SEA...EVEN SEAFOOD!
THE END

HANNA-BARBERA'S

SCOOBY-DOO COAST-TO-COAST GHOST



HELLO, AND WELCOME TO *THE FEAR GAME*— THE SHOW WHERE, EACH WEEK, WE SCARE SOME UNSUSPECTING VICTIM!
TONIGHT, WE TURN OUR HIDDEN CAMERAS ON THE ANIMAL WORLD AND *THIS* GREAT DANE...

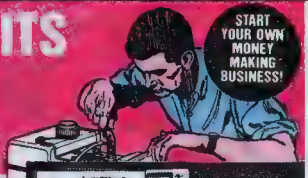
Get in on the PROFITS in SMALL ENGINE service and repair

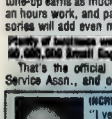


Work part time, full time—right at home—we help you every step of the way.

No doubt about it... as a small engine pro, you can cash in on the huge demand for qualified men in one of America's fastest growing industries. You'll be able to command top hourly rates of from $10.00 to $15.00 per hour—and that's just for labor. A simple tune-up earns as much as $17.50 for less than an hours work, and parts, engines and accessories will add even more to the profits.

Plenty of business waiting for qualified men. 60,000,000 Small Engines Are in Use Today!

That's the official count from the Engine Service Assn., and one-million new engines are being built each month. With fully accredited Belsaw training, you can soon have the skill and knowledge to make top money servicing these engines. People will seek you out and pay you well to service their lawnmowers, tillers, edgers, power rakes, garden tractors, chain saws, mini-bikes, snowmobiles, generators, go-carts, paint sprayers, snowblowers... the list is almost endless.



INCREASED INCOME
"I've had about 8 years experience repairing small engines... but repairs were only minor... until I started the Belsaw Course." Walter H. Bartek Campbell, Calif.

NO EXPERIENCE NECESSARY!

You don't need to be a 'born mechanic' or have any prior experience. You can master this profitable trade right at home in your spare time. Lessons are fully illustrated... so clear you can't go wrong, and with our famous 'learn-by-doing' method you get practical 'hands-on' experience. We also show you how to get business, what to charge, where to get supplies wholesale... all the inside tricks of the trade you need to assure success right from the start.

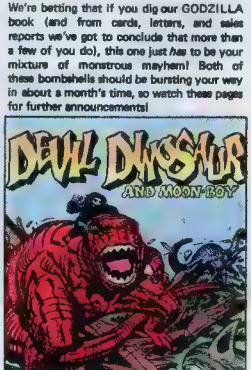
STAN LEE'S SOAPBOX

Hey, culture lovers, here's a Thanksgiving treat for you! I won't try to sell you a single thing anywhere in this column! Instead, I'll let you in on a senses-shattering secret! Ready? Here it is! Even the mighty moguls of Marvel can make a mistake! And the one we made a few issues back is a real cymbel-clanger! If you're the one holdout in all of comicdom who didn't notice it, this is for you. Last August, right here in the cosmos-spanning Soapbox, I asked you to try to guess what PIZZAZZ was. I figured we'd make a little game out of it and I'd clue you in next ish. But who knew— WHO KNEW— my over-eager little staff would be putting a big, full-page, full-color AD for PIZZAZZ right on the inside front cover of all those very same mags??!!! There I was tryin' to tease you, slyly asking you to guess about something that was fully and completely described on a previous page in the same magazine! Talk about having egg all over your face! This time I got the whole chicken! Oh well, waddaya expect from a guy who could never remember whether his own character was called Bruce Banner or Bob Banner! Hey, speaking of that, here's another nutty thing that could only happen in the wacky world of Marvel. As you know, Universal Studios just completed a live-action, 2-hour special tv movie of everybody's favorite jolly green giant. (In fact, THE INCREDIBLE HULK may be prime-timing it on the tube by the time you read these imperishable words)! Anyway, what do you think they called ol' Doc Banner? Bruce? Uh-uh! Bob? Forgot it! They decided to name him Dave! What there is about our recalcitrant little rampager that makes it so tough for people to get his name right I'll never know! But there you have it, more living proof that— despite what you've always thought— even the minions of Marvel are sometimes less than perfect! But keep it to yourselves, hiuh? We'd hate the competish to find out that we're merely flesh and blood! Look, in case I'm sounding too humble, don't worry. One of these days, if we ever do something right, I'll tell you about that, too!

Excelsior!

Stan

ITEM! Hey, we've been promising and promising to give you the scoop on JACK "King" KIRBY's two new titles just as soon as the time was right. Well, we have first issues on both of them sitting with us right now, so the need for secrecy is certainly past. First off— and we'll bet most of you were already expecting this—there's MACHINE MAN. If the title's not quite familiar to you, it's because we felt a brand new feature ought to be launched with a brand new name, but Machine Man is most certainly *Mister Machine*, whose adventures in the now-defunct 2001 book drew more comment and acclaim than any other stories in that searing science-fiction series. With cyborg super-heroes still rampaging on TV and star-warring robots stealing scenes at motion picture theaters, Jack's mechanized man with the all-too-human feelings ought to be one of his biggest successes yet! For his second title, Jack proves that there's no time or topic he can't bring the distinctive Kirby touch to by taking you into the primitive conflicts of earth's prehistoric past for the adventures of DEVIL DINOSAUR. We're betting that if you dig our GODZILLA book (and from cards, letters, and sales reports we've got to conclude that more than a few of you do), this one just *has* to be your mixture of monstrous mayhem! Both of these bombshells should be bursting your way in about a month's time, so watch these pages for further announcements!



ITEM! You know, one of the things we're most often asked in the jillions of letters you people are good enough to send us is usually something like: "Hey! If Thor is trapped by the Cosmic Hairdresser's Rinse-and-Set machine in his own book, how is he able to fight side-by-side with the Vision, Iron Man, and the Scarlet Witch against the Giant Won-Tons of Fu Manchu in the latest AVENGERS?" Vexing as this type of dilemma is to all continuity buffs—and most of the Bullpen counts itself in the forefront of those ranks—there's a reasonably simple explanation, one put forward by STAN THE MAN himself in this very column several years back, which bears repeating every now and then for those of you who dropped in late to the Marvel Universe. Obviously, all of the adventures taking place in all of our various titles are not happening at the same time. What the mighty Thor is doing in his own book—to stick with our example—may be happening before or after what's going on in the AVENGERS. Also, *Marvel* time is not the same as real time. Showing four *hours* of the Thunder God's admittedly hectic life may take four issues and four *months* of regular time, so that adds to the continuity confusion and creates situations like, having Peter Parker sunning himself in the AMAZING SPIDER-MAN while having a snowball fight in the same month's TEAM-UP or SPECTACULAR SPIDER-MAN. What we try to do is to occasionally leave time gaps between the end of one adventure and the start of another, so that an imaginative and industrious Marvelite can figure: "Ah! The Hulk was in Hohokus, New Jersey when he polished off Orloff the Orthodontist last issue, but this month's mag opens with him kicking sand, in a bully's face on Pismo Beach! Getting there probably took him several days. That could explain why he had time to help Nighthawk and Hellcat in the bean-eating contest several issues ago in the DEFENDERS!" We think it's one of really fun fringe benefits of being a Marvel fan, and judging from some of the well-worked-out theses that a lot of you keep sending our way, you're in agreement. Try it sometime. . . We may not always agree on the exact *course* of Marvel history, but trying to *plot* may be the greatest parlor game since Twenty Questions.

ITEM! We know most of you are probably starting to think about Thanksgiving turkey, but as this is being written there's still a smidgen of Summer left, so we'll bow to the browbeating of the Bullpen Softball Team and inform you that despite a slow start, the titanic ten are finishing the season strong with victories over Doubleday Books and rival comics group, Warren Publishing. No small part of these victories have come from such stellar performers as Vivacious VILMA FALCON, who in addition to working in our Subscription Department manages to pitch, hit, and field like a pro, and to Devastating DAVIDA LICHTER-DALE and Ramblin' RICK PARKER of art production, who usually carry the beer.

ITEM! Let's close out with a swift parade of plugola and call your attention to such goodies now available as our $1.00, 80-page, Giant MAN FROM ATLANTIS comic. This is a special to kick off the series we'll be doing about TV's undersea superstar and offers *two* bonus-length comics stories plus articles, pin-ups and photos of Mark Harris and Company. When we say this is a big one, we're really being literal! Also, the second in our full-color paperback collectors' editions is out. First was SPIDER-MAN. This time around it's the FANTASTIC FOUR. Another paperback in the Marvel manner is our illustrated version of STAR WARS. If you missed the Treasury Edition or regular monthly mags, here's your chance to make it up; if you've become a Star Wars completist, here's one more item you can't live without. And last, for younger readers and TV cartoon aficionados, this month sees the appearance of the all-new, all original FLINTSTONE'S CHRISTMAS PARTY featuring your favorite Hanna-Barbera characters in a gift-size Treasury book! Look for 'em all. . . and for us in this same spot next time.

THE FUNTASTIC WORLD OF HANNA-BARBERA

CARTOON VOICES

Howdy! This is your old friend Huckleberry Hound, and I'm here to tell you about a very important part of an animated film...the cartoon voices. Most folks think that the voices in an animated film are put in the picture after the drawings are completed. The truth is that except for some rough sketches of what the characters might look like, voices are recorded right after a script or storyboard is completed. The voice recording is very important, because the timing of the individual scenes and the entire cartoon depends upon the actors and actresses. In the FUNTASTIC WORLD OF HANNA-BARBERA, hundreds of different voices have been used for the variety of animated characters used in their films.

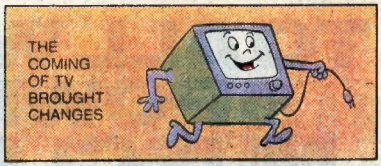
In the early days of cartoons, before the use of sound, animated films depended entirely on the skill of the artists to create funny action to delight audiences. Even when sound film was developed the animated film didn't depend too much on character voices, but gradually comedy action and comedy voices became an important combination in producing the complete cartoon.

With the coming of television, the voices of the cartoon characters became more important because the television shows depended more on story-telling films rather than on slap-stick gag animation.

Good voices in a cartoon help develop the character personalities. The voice style, quality, and delivery gives the artist a lot of help in determining how to do the animation. A big deep booming voice will suggest a large powerful drawing of a character. A little wispy voice might best come out of a tiny critter. Of course those are sort of obvious match-ups of voice and art.

There is a lot of variety in-between those extremes, and there are little touches and shadings of the voices that mean so much to characters in the Hanna-Barbera cartoons.

Bill Hanna and Joe Barbera have based all their cartoons on good character sounds. There are some



sounds that add fun and excitement to the stories. It is not easy to get the right voices for the animation. It takes a lot of try, try again.

When a new show is being developed, the Hanna-Barbera creative staff often have a mental impression of what they're seeking as voices for a particular cast, but it takes a lot of auditioning of actors and actresses. They come in to the recording studio and meet with the director who discusses the special qualities that they are looking for. The tests are listened to and eventually selections are made.

The individual voices are important, but it's also important that these voices combine well with other characters in the show. The voices need to be distinct and not confused with any other. For instance, my voice-the Huck Hound voice-is a soft spoken "southern hound kinda fella" and I'll never be mixed up with Jellystone Park's loud and enthusiastic Yogi Bear, or bombastic caveman Fred Flintstone.

The actors and actresses that are hired to do voices are professionals from stage, radio, movies and television. Many of them are stars in their own image, as well as being the behind-the-scenes stars of so many animated cartoons. Hanna-Barbera is proud to have them as part of their funtastic world family!

And I'm mighty proud to be one of the original family members. So...this is old Huckleberry Hound's voice saying, "So long for now!"
